Dear friends, Dear supporters, Dear patrons!

We are pleased to present the integrated annual and financial report for the year 2023-24. BSST remains steadfast in its commitment to a result-driven 4-E strategy: **Engage, Empower, Execute, and Exit.**

Over the years, BSST's programs have significantly impacted the lives of economically and socially disadvantaged communities, including poor, landless, and marginalized farmers, as well as individuals facing various health challenges. Our initiatives are designed to provide long-term, sustainable contributions to the livelihoods and social protection of vulnerable groups, with a special focus on women and children.

For over two decades, BSST has established itself as a beacon of welfare and empowerment for the poor, farmers, vulnerable, and marginalized—especially women, children, and youth. Our organization has collaborated with a diverse range of stakeholders, including governmental bodies, media, private sector entities, NGOs, and multilateral organizations. Together, we have created a platform to amplify the voices of the marginalized, paving the way for social change and economic empowerment.

On behalf of BSST, I extend our deepest gratitude to all our partners and supporters. Your financial, technical, and mentoring support, along with your trust, has been invaluable. The partnerships and networks we have cultivated over the years are essential to our mission, and we look forward to continuing these collaborations for our shared goals—ultimately benefiting the communities we serve.

A special thank you goes to the dedicated staff of BSST, whose unwavering support and excellence in their work have been the backbone of our success.

As we look to the future, we are excited to set new benchmarks for growth and expand our training and capacity-building efforts to serve thousands more across the state and country.

Together, we are building a brighter, more equitable future for all.

President
Naresh Dave

Acknowledgement

Shri Bhrama Samaj Seva Trust (BSST) extends its deepest gratitude to all the stakeholders and individuals who have been an integral part of our journey of development. We sincerely thank the funding agencies, governmental departments, individual donors, and our NGO partners for their unwavering support and dedication. Your contributions have been invaluable during the year 2023-24, and we are eager to continue our collaboration in the years to come.

A special note of appreciation is reserved for the community members, the very heart of our projects. Your participation and trust are the foundation of our efforts. We are profoundly grateful to all the beneficiaries who have placed their confidence in us. Your engagement and resilience fuel our mission, inspiring us to move forward with renewed energy and purpose.

BSST also wishes to express its heartfelt thanks to all our staff members, project managers, and trust members. Your unwavering dedication and hard work have been the driving force behind our success this year. Thank you for your commitment and for playing a vital role in BSST's ongoing journey towards creating meaningful, lasting change in the community.

The advantage of Child Helpline can be taken by child who is from -0 to 18 years, who is suffering from chronic disease, facing child labor, for prevention of child marriage, suffering from abuse, who have been lost, in search of shelter, who are in conflict of laws etc. There are various function which Child helpline does which includes- field work, meetings, call testing, city mapping, school programmes, open house, organizing medical camps, night outreach and doing co-ordination with Government and Non-Government sectors.

SAKHI ONE STOP CENTRE AT PATAN, BHARUCH, DAHOD & BANASKANTHA

There is lot of inequality being faced by nations which results in Gender based violence (GBV). It may include physical, sexual and psychological harm to women which also includes threats of acts, coercion, or arbitrary deprivation of liberty whether in public or private life. Nowadays Government has also started paying attention to such violence. Though this is a global issue one must understand pattern of violence, its causes and to abolish various factors such as historical and socio-cultural should also be considered.

In India the Gender based violence can be found in case of domestic and sexual violence which includes rape, dowry, honor killing, acid attacks, witch-hunting, sexual harassment, child sexual abuse, trafficking for commercial sexual exploitation, child marriage, sex-selective abortion, sati etc.

A centrally sponsored scheme was done by Ministry of Women and Child Development (MWCD) for setting up One Stop Centre, a sub-scheme of umbrella scheme for National Mission for empowerment of women which includes Indira

Gandhi Matritav Sahyog Yojna which is known as Sakhi which was implemented since 1st Day of April 2015. In India, the first one stop centre was set up at Raipur (Chattisgarh) on 16th July 2015, whereas in Gujarat's first phase it was set up in Sabarkantha, Rajkot, Kutch whereas in second phase Junagadh and Patan.

These one stop centers are used to provide assistance and counseling and it acts as the one stop solutions to those women affected by violence in private and public spaces within the family or community or workplace. Women who faces any kind of abuse which includes physical, sexual, emotional, psychological and economical irrespective of age, class, caste, education, marital status, race and culture.

As per the SOP, the OSC has tie up with other departments also for seeking any kind of assistance such as Ministry of Health & Family Welfare/ State/ District, Ministry of Home Affairs/ State/ District, Ministry of Law & Justice/ NLSA/ SLSA/ DLSA.

Those who are stay at our temporary shelter facilities , we are also provide kit for their day to day work which includes Dress (Clothes), Soap, Clothes Shops, Shampoo, Hair Oil, Sanitary Napkins, Vaseline, Towel, Comb, Brush Kits, Medicines, Diapers, etc. and also provide High tea, Lunch, Tea and Dinner.

Major Assistance Highlights:

- 24-hour service is provided.
- We assist women suffering from all types of violence.
- We support victims of all forms of violence.
- If affected women need medical help, we stay with them and ensure they receive proper treatment.
- We provide counseling and immediate assistance to victims in need.
- We offer temporary shelter to women victims for up to 4 days and continue with further action and counseling.
- If the victim needs to be prosecuted, we can register an FIR and ensure proper action is taken.
- If the victim requires additional help, we file a case with DLSA and maintain constant liaison to ensure a suitable lawyer is appointed.
- We provide assistance through 121 if the aggrieved woman feels it is needed.
- If necessary, we conduct conciliation with the presence of a consultant, provided both parties agree and it is appropriate.
- If needed, we coordinate with the police inspector and constables at the center.
- For minors under 18 years of age, we work with Child Helpline-108, the District Child Protection Unit, and the Child Welfare Committee.

- Assist those returning to their native place.
- Provide support for individuals whose spouse or family remains in their village.

MEHSANA – TI

Targeted Intervention (TI) Programme is an initiative to prevent HIV and AIDS by Gujarat Aids Control Organisation in collaboration with Department of Health and Family welfare- Government of Gujarat. The Core Elements of the Targeted Intervention are as follows:

Community Outreach
Service Delivery
Commodity Distribution
Community System Strengthening

MAJOR CHALLENGES:

- To decide category of the women being found working in the kitchen
- Usually the female sex workers(FSW) are local so to identify them and convince them to register gets difficult
- There is a lack of awareness about sexuality and sexually transmitted diseases (STDs) in the community so it would be difficult to convince them.
- Due to lack of education and internal jealousy which puts them on high risk.
- There are hidden risk groups which are local who don't want to reveal their identity and thus they don't register themselves and so it gets

difficult to do the treatment secretly.

- When FSW is home based they don't reveal their identity and thus it gets difficult to provide them services.

Though BSST has faced many challenges but it has also overcome those challenges and has proved to be useful to the people. In FSW many women were able to meet their needs in GAP analysis, due to various vocational training the women were able to generate employment for themselves, we have been able to coordinate with mainstreaming to prevent HIV and prevent HIV and thus we were able to tie-up with Red Ribbon, Lions Club, I.M.A Jesus for prevention of HIV, co-ordination of the TI staff with the manager or owner of the guest house so that the woman of the hotel use condoms regularly, involvement of police, social leaders, law rickshaw drivers is available in stakeholders. In this FSW and MSM both through community event new KP"s would be added and would be given services of the projects.

Achievement: The number of KPs and the changes observed are as follows:

- Increased number of KPs in demand generation and DIC meetings.
- Increased participation in various committees as well as leadership and KP by the community.
- Participation and leadership observed in training workshops to increase participation in cultural activities.
- Increased number of new KP"s registrations in FSW and MSM.
- 50% of the targeted interventions are from KPs in the residency area.
- The target for the number of newly registered KPs during the current year was 60 FSW and 50 MSM in which 4 FSW and 11 MSM new KPs were registered during the year
- Availability and accessibility of condoms increased in all areas.
- KP"s get 100% condoms on one to one contact.
- Secondary stakeholder participation developed.
- Risk group leaders, brokers and hotel managers, owners participated.
- Training given to FSW KPs increased ownership in the project so that most of the KPs went to clinics and ICTC at civil level.
- Training giving to FSWs to change their behavior to self-identify others and consent to reinstatement.
- Motivated to re-livelihood and find another occupation by themselves for re-establishment.
- KPs from Manav Ashram area have migrated to other areas like Visnagar, Unjha, Gopinala, Arvind Bagh etc..
- Some MSM of Modhera Chowkdi, Radhanpur Chowkdi, Ramosna Chowkdi area KP"s have gone to Arvind Baug, Gopinala area etc.
- Sisters from Ahmedabad, Vadodara and Bengali who are registered

in flying have been coming to Visnagar guesthouses

BAVLA – TI

This project was started in April 2012. TI project is located at Bavla, Changodar. These projects help in providing awareness to the migrants regarding HIV and tuberculosis. They are working in 8 areas in which approx. 55,000 people are migrants who are associated with High risk group. Due to National highway and due to other facilities, there is large GIDC area. As there is large GIDC area spread across and National highway there would be large number of hotels and guest house where the migrants are employed. Here migrants come due to large number of job opportunities. The brokers bring FSW and by taking customer out of here involves insecure relationship and is hampered by more money.

Key Indicators: - Coverage, New KPs, Regular coverage, Clinic visits, ICTC and RPR referral and Testing, Condom distributions, Enabling Environment activities to arrange activities to increase demand, for the treatment of PLHA and to make them aware etc.

The TI Project by BSST had to face certain challenges like as it was difficult to maintain staff's safety in field and to do the work due to HIV and Covid. During the event or street plays it was difficult to maintain social distances during such event. As registration was required as per MSDS thus during HRG various documents like voters id/Aadhar card was required for registration, so during that staff needs to meet migrant for at least 2-4 times. The language barrier also exists when migrant belongs to Bengal, Orissa, and South etc. As due to COVID, ICTC was closed thus STI s RPR was a challenge.

The TI project also has opportunities as the center meets the people to make the plan effectively. For all the new, during the meeting 35-40 topic were covered and all given the training. As the Airlines trust distributes sanitizer, mas Kit etc. so the repo becomes stronger.

CHILDREN HOME FOR GIRLS, VISNAGAR

Under this project Start as on December – 2019, funded Samaj Suraxa Khatu, Gandhinagar at the time three (3) children were admitted whereas 1 child was rehabilitated. At the children home, Girls live in harmony, play sports and do other educational activities. Children were rehabilitated in addition to the progress of education.

Various activities like celebrating Gandhi Jayanti with the motto “Simple living is great living”, singing Vaishnavjanto, celebrating festivals such as Diwali, conducting rangoli competition etc. were also carried out.

We found that from within a year, children's socio-psychological development also increase and they become self-reliant, to maintain self-esteem by getting employment and also become financially stable, gain courage to handle situation and also feel very positive after getting number of counseling.

RE-VOCATIONAL AND VOCATIONAL TRAINING CENTRE FOR PERSONS WITH SPECIAL NEEDS AND DISABILITIES AT MEHSANA

BSST, Mehsana took initiative to start Pre Vocational and Vocational Training Centre for Persons with Special Needs and Disabilities as directed by GCSRA. The programme duration is November 2021 to September - 2022. Vocational Training Phase I is started with practicing making paper bags. The market survey to would be done to do need analysis. The pre vocational program includes money skills, reading time and social etiquettes for initial months depending on the developments we will move towards other aspects of pre vocational program.

The main objective of each activity is to make trainees independent in the task they are able to do. Trainees are involved in various activities which involve gross motor, fine motor and eye hand coordination as these are main requisite for paper bag making and jewellery making.

Various social events are also carried out for trainees to understand the festivals and importance of cultural events surrounding these festivals. Trainees are encouraged to interact socially with appropriate etiquettes with visitors.

The research is being done by collecting data, in-house staff training is being provided, agenda is planned accordingly, meeting with parents are done and for betterment one to one session is also kept. Vocational Assessment (NIMH) is carried out on each pupil to understand their baseline and to tailor their prospective program.

- Assessment and case history is taken 1:1 and recorded in hard copy and softcopy for data protection.
- Any other assessment reports from health professionals are also kept for official records.
- Transport is provided to pick and drop the learners.

The pre vocational program includes money skills, reading time and social etiquettes for initial months.

DISTRIBUTION OF AIDS & APPLIANCES TO THE PERSONS WITH DISABILITIES UNDER ADIP SCHEME

Supported By: Ministry of Social Justice and empowerment

Camp Held :- Patan, Mehsana, Botad, Surendranagr, Aravalli, Sabarkantha

Assistance to Disabled persons for purchasing/fitting of aids/appliances(ADIP) this scheme is to assist the needy disabled persons in procuring durable, sophisticated and scientifically manufactured, modern, standard aids and appliances that can promote their physical, social and psychological rehabilitation, by reducing the effects of disabilities and enhance their economic potential. Today the world's population is over 7 billion people and more than 1 billion people live with some form of disability.

BSST with the help of funding of Ministry of Social Justice and empowerment i.e Department of Empowerment of Persons with Disabilities has implemented this ADIP scheme consecutively and thus have got the exposure to the procedure that needs to be followed for implementing this. Thus BSST tries to keep all the necessary government departments on loop to reach out maximum number of beneficiaries and benefit them from the scheme.

This scheme involves organizing camps for need assessment and distribution of assistive devices to persons with disabilities and non-camp activities such as fitting of devices including surgical intervention.

BSST with its own funds run the school for differently-abled and physically challenged children within the age group of 5-18 years which is run and administered by qualified professionals and various activities are undertaken to nurture children with special needs.

BSST has sector specific team of each sector and our various projects are also running in this areas, hence reaching out to find the beneficiaries & community mobilization work were easier for us. The identification of the beneficiaries were done by BSST Team through visiting the beneficiaries' homes and followed by checkup through professional doctors from the respective field.

The awareness of the Aids and Appliances distribution camps among the beneficiaries of the respective areas of the identified blocks of the district was mainly done through distribution of pamphlets among the local community people and display of pamphlets at community places. And, also before conducting the camp, the details of the distribution camp will be also published in the local newspapers. Through our community mobilization work we also reached to the beneficiaries on a larger scale informing people about the date and the venue of the camps to be conducted.

In this year, we have conducted nine distribution camps (at six districts) at Patan, Aravalli, Morbi, Surendranagar, Mahesana and Botad Districts and covered 388

beneficiaries. The identification of the beneficiaries is done by the team members of BSST by visiting the houses of disabled or needy persons followed by thorough check-up by professional doctors in the respective field

LINK WORKER SCHEME, MEHSANA

Link workers scheme project has been set up at Mehsana district with the help of BSST which works for HIV/AIDS in rural areas where various activities are carried out and also activities are done to provide services to to prevent HIV / AIDS by identifying people with risky behaviors at village level. This project is currently active in 104 villages. In Mehsana district where the base is created in which the main aim is to make people aware and people can live healthy life where the people with HIV can live equally without any discrimination.

In Link workers scheme project such environment is created where people can talk freely about the incurable diseases like sexually transmitted diseases (STDs) like HIV-AIDS, TB, cancer etc. without any hesitation and they can get medicines from the government where they get medicines regularly and can live healthy life. It offers other more than 27 services like MaaAmrutam card, Aadhar card, health oriented services etc.

The scheme is working to also eliminate the superstitious behavior of the people on the misconceptions and misbeliefs regarding the diseases. It is believed that the people with the risky behavior should be tested for HIV every six(6 months) and medical checkup should be organized. As per their needs, the condom distribution should be taken into consideration and should also be tested for tuberculosis (TB) and if found positive/ if identified as suspended patient then he/she should be sent to the Government department i.e. K.P Hospital and make sure that the patient gets the proper treatment and gets all the medical help as and when required.

Various activities like wall paintings, counselling, spreading awareness about HIV/AIDS, corona etc organizing health camps, TB etc is done in Mehsana district. BSST has also organized health camp in Ubkhal village for migrant people for diabetes testing, HIV testing, clinic attendance, Blood pressure checkup, STI check - up etc. whereas in Aasjol village in Becharaji block PMPSE activities was organized. Through Canopy the awareness was created in Tarabha village in Visnagar block whereas the flock show was organized in Kuvasana and kamana village by LWS so that the awareness of HIV, STI and COVID-19 can be done.

Various strategies have been followed which includes as follows

- Identification of target group and their customers. Treatment of sexually transmitted infections, counselling and identification of clients to KP and reducing the number of sexual intercourses.
- Access and distribution of condoms. To increase the use and availability of prevention among groups with risk behaviours as well as men and women at high risk of HIV infection
- To develop VIC centre and to make vulnerable people visit the centre.

- To do the reference to ICTC, STI, ART, TB and CHC, Jatan Project, Vihan Project
- To organise the Youth Council, VHNC Committee functional and increasing community participation.
- To act for sexually transmitted diseases, behavior change, upholding norms and principles. Liaison with various services (such as STD, TB screening and treatment, ICTC/PPTCT, ART and Care and Support Centers) as well as to do constant follow up
- To Conduct community events, health camps and local village meetings etc

GRAMIN RITU MISSION AT DAHOD DISTRICT

- Facilitated By: Gujarat CSR Authority, Government of Gujarat Date of commencement: 10/08/2022
- Project tenure: 36 months (02 months preparation)
- Project area : Nandod and Garudeshwar
- Block of Narmada District and Dahod, Zalod, Garbada and Limkheda Block of Dahod District

MAJOR OBJECTIVES

- To create Health & Hygiene awareness in 120 villages of the Dahod district and will reach more than 20,000 women
- To create direct employment to 12+ Women and indirect employment to 10+women
- To bring impact in the life of more than 18,000 women & adolescent girls.

MAJOR DELIVERABLES

- Identification of the location and setting up of the production plants
- Selection of the women, forming 10 SHGs and capacity building of them,
- Ensure backward & forward linkages for the production, including planning and executing of supply chain, branding & marketing.
- IEC Activities at the village level
- Documentation of the project includes submission of the Monthly Progress reports, Photographs, expenditure involved under the project & Impact analysis.
- Liaising with District level Govt. authorities and line department for the smooth execution of the project.
- Ensuring the sustainability of the project by managing the project for total 3years and make it sustainable for coming years

MAJOR FACED CHALLENGES

- Rural women are often shy to discuss how to use sanitary pads, need of sanitary pads and how to decompose them.
- Gathering women and adolescent girls in their areas was a difficult and time- consuming process.
- Some villages are very remote, and there is no phone or transportation connectivity.
- Many rural women live on farms, and it was difficult to reach them.
- Some rural women have a strong taboo against using sanitary pads.

- Most rural people are very poor and cannot afford to buy sanitary pads on a monthly basis.
- There are very few stalls or shops in rural villages that sell sanitary pads.
- Many rural women need different sizes (XXL or L) of sanitary pads, do not have dies.
- Reaching remote areas using local transportation is very difficult.

OUTPUTS

- Completed awareness and distribution of "Blue Maxie" sanitary pads in 120 Villages.
- Identified local rural women interested in working for this project and create a group of woman in each village who shows interest to take care about their health & hygiene
- Set up a production unit, created a supply chain path, implemented inventory management, and designed and manufactured packaging

MAJOR OUTCOMES

- Rural women and adolescent girls in our target areas are now aware of the importance of sanitary pads for their health and hygiene.
- An effective network of local support has been established.
- We understand that there is a great need to distribute sanitary pads to the target audience at no cost and to help them develop a habit of using sanitary pads.
- We understand that we need to add different sizes of dies to our production unit.
- There is a strong need for a transportation vehicle to cover remote areas on a regular basis.
- We cannot focus on the entire village at once, so we need to identify phase 1 target areas / faliyas in each village and work on those areas first.
- We also need to develop a website and a social media presence
- With this ground work experiences, the tentative strategy for the next year is developed to cover all 120 villages.

CHECKDAMS REPAIRING WORK AT BANASKANTHA, PATAN, SABARKANTHA, MAHISAGAR, PANCHMAHAL & DAHOD

Water is an important source but with green revolution even in Gujarat the water table started dropping. A massive scheme Sardar Patel participatory water conservation project is started to recharge the groundwater with the objective that the large-scale construction of small water harvesting and ground recharge structures, these are built on community land and has proved that there has been constant increase in water table. Now with this improving situation Gujarat has got 6 lakhs water harvesting structures.

BSST has received work order of this project on 5th day of May 2022, for 22 Checkdams the total duration of this work will be till March – 2023. This project is funded by “Gujarat Energy Transmission Corporation Limited” (GETCO) from their CSR fund.

In last 15 years heavy flood were observed, many checkdams were damaged and washed out and also occurred various problems such as silting, damaged gates and broken structures, etc. need to be taken into consideration for repairing, so the Checkdams will be working in their full capacity for water storage. The various projects taken into consideration by BSST are as follows.

OBJECTIVES :

- To implement multifarious Agri sector initiatives for farmers.
- Conservation and management of Natural Recourses.
- Promoting incremental agricultural productions and productivity.
- Raising standard of living of rural poor farmers

શ્રી બ્રહ્મ સમાજ સેવા ટ્રસ્ટ, મહેસાણા દ્વારા સીએસઆર ફંડમાંથી ચેકડેમ રીપેરીંગની કામગીરી કરાઈ

(નિ.ન્યુ.સ.)

શ્રી બ્રહ્મ સમાજ સેવા ટ્રસ્ટ, મહેસાણા ગુજરાત રાજ્યના ૨૮ જિલ્લાઓમાં કામ કરતી સેવાકીય સંસ્થા છે. સંસ્થા જળ સંચય બાબતે ખૂબ જાગૃત છે. જેથી સંસ્થા દ્વારા CSR ફંડથી રૂબરૂ વોટર હાર્વેસ્ટીંગની કામગીરી થકી નર્મદા કુદાની ૨૦ સરકારી પ્રાથમિક શાળાઓમાં તેમજ ગાંધીનગર, મહેસાણા, વડોદરા અને પંચમહાલ કુદાઓમાં પણ રૂબરૂ તેમજ હોસ્પિટલોમાં ૩૦ જેટલી રૂબરૂ વોટર હાર્વેસ્ટીંગથી પરસાદી પાણીનો સંગ્રહ કરી ઉપયોગમાં લેવાની કામગીરી કરેલ છે તેમજ નદીઓના વહેતા પાણીને રોકી પાણીના તળ ઊંચા આવી અને ખેડૂતોને પશુ પંજીઓને લાભ મળે તે માટે જે ચેકડેમો તૂટી ગયા હોય અને પાણી સંગ્રહ ન થતું હોય તેના કારણે સરકારીનો કરેલ ખર્ચ વેકફાતો હતો. સંસ્થા દ્વારા સાબરકાંઠા જિલ્લાના ગામો ગોતા, ખેરગઢ અને ડોડીવાડામાં કુલ ૫ ચેકડેમોનો સર્વે કરી સંસ્થા દ્વારા કંપનીના CSR ફંડ માંથી ચેકડેમ રીપેરીંગની કામગીરી કરવામાં આવી. જે કામગીરી પુલજ સારી થઈ અને આ કામગીરીના જિલ્લા પંચાયત સહયત્રી અને અન્યોએ પુલજ સારાહના કરી અને શ્રી બ્રહ્મ સમાજ સેવા ટ્રસ્ટ, મહેસાણાની કામગીરીને ખૂબ જ નિરૂપવામાં આવી જિલ્લા પંચાયતના સહયત્રી દિતેન્દ્રસિંહ ચૌહાણ દ્વારા જણાવવામાં આવેલ કે મેં ઘણા બધા ચેકડેમો જોયા પણ આવી ઉલ્કુષ્ટ કામગીરી ક્યારે જોઈ નથી. ખરેખર શ્રી બ્રહ્મ સમાજ સેવા ટ્રસ્ટ સારી કામગીરી બદલ હું અભિનંદન પાઠવું છું. આમ સંસ્થા દ્વારા સાબરકાંઠા કુદામાં ચેકડેમ રીપેરીંગની કામગીરી પુલજ સારી રીતે કરવામાં આવી રહી છે. તાલુકાના અન્ય ગામોમાં પણ આવી સારી કામગીરી કરવા માટે જાણવું છું.

ભારતર વિશેષ | દીકરો જમવાનું લેવા જતાં નીકળી ગઇ હતી : ગુમ થયા બાદ પોલીસ મથકે પણ જાણ કરાઇ હતી

ઇન્દોરની મનોદિવ્યાંગ મહિલા દાહોદમાં મળી

ભારતરવિશેષ | દાહોદ

મધ્ય પ્રદેશના ઈન્દોરમાં દવાખાનામાં દાખલ મનોદિવ્યાંગ મહિલા રહસ્યમય સંજોગોમાં ગુમ થયાના પખવાડિયા બાદ તે દાહોદથી મળી આવી હતી. સખી વન સ્ટોપ સેન્ટરે મહિલાને તેના પરિવારને સોંપતાં ભાવુક દ્રશ્યો સર્જ્યાં હતાં.

મધ્ય પ્રદેશના ઈન્દોરની એક મનોદિવ્યાંગ 47 વર્ષિય મહિલાએ સારવાર માટે તેના દિકરાએ ત્યાં 12 મેના રોજ દવાખાને દાખલ કરી હતી. દિકરો જવાનું લેવા ગયો હતો તે સમયે જ મહિલા દવાખાનેથી નીકળી ગઈ હતી. શોધખોળ બાદ પણ તેનો કોઈ જ પત્તો નહીં મળતાં બુરહાનપુર પોલીસ મથકમાં નોંધ કરાવી હતી. દાહોદમાં એક મહિલા અંગેનો 25મેની રાતે સખી વન સ્ટોપ સેન્ટરને કોલ મળતાં મહિલાને શ્રી બ્રહ્મ સમાજ સેવા ટ્રસ્ટ સંચાલિત સખી વન સ્ટોપ સેન્ટરે લવાઈ હતી. કંઈ બોલતી ન હોઈ તેની પાસેની થેલી ચેક કરતાં આધાર કાર્ડ મળી આવ્યું હતું. તે સરનામે સંપર્ક કરતાં ઘર બંધ મળતાં પોલીસે તપાસ બાદ મહારાષ્ટ્રના જલગાંવ નજીક ગામ સેગવા ગામે રહેતાં ભત્રીજાને ફોન કરી જાણ કરી હતી. મહિલા મળી આવી હોવાની જાણ થયા બાદ ભત્રીજો, જમાઈ અને દિકરા સહિતનો પરિવાર દાહોદ પહોંચી આવ્યો હતો. કાગળોની કાર્યવાહી બાદ મનોદિવ્યાંગ મહિલાને પરિવારને સોંપવામાં આવી હતી.

માતા સિવાય કોઈ નથી કહી દીકરો રડી પડ્યો

પરિવાર મહિલાને લેવા આવતાં ભાવુક દ્રશ્યો સર્જ્યાં હતાં. કંઈ બોલી અને સાંભળી ના શકતી માતા ઘરે લઈ જવા દિકરાને વારંવાર ઈશારો કરી રહી હતી. તે ઈશારામાં વાત કરે છે અને સમજે છે કહીને દીકરો ખૂબ રડી પડ્યો હતો. પોતાની માતાને સલામત જોઈ દીકરો વધુ બોલી શક્યો ન હતો. દિકરાએ માતું મારી માતા સિવાય આ દુનિયામાં કોઈ નથી કહી માતાને અહીં રાખી અને પરિવાર સાથે સોંપી તે બદલ સખી વન સ્ટોપ સેન્ટરનો આભાર વ્યક્ત કર્યો હતો.
