## President Note

I am glad that BSST- Shri BrahmSamajSeva Trust has initiated in grassroots work intervention and sustainable development programme across the Gujarat state. It is always a pleasure to write an Annual Report when there is unique to convey. It is my pleasure to introduce this year again the Annual Report of 2019-20 on the activities and achievements of the Shri Brahma SamajSeva (BSST).

BSST's programmes have benefited economically and socially large populations from poor, landless and marginalized farmer communities, people with several health issues etc. These programmes offer long term and sustainable contribution to livelihood and social protection of vulnerable communities, especially women and children. BSST over the last two decades has established itself as an organization committed towards welfare and empowerment of poor, farmers, vulnerable and marginalized especially the women, children, and youth. The organization has worked with multiple stakeholders: governmental bodies, media, private sector, NGOs and multilateral organizations to create a platform and an understanding towards this marginalized, voiceless and vulnerable section of the society to bring social change and economic empowerment.

I am excited to see BSST at this threshold as we ready ourselves to share our experience, knowledge and skills with more organizations working with all in various fields in different activities such as Aids Appliance Distribution in Various District of Gujarat (ADIP), TI PROJECT Training on HIV & AIDS, Participation Irrigation Management training, Apperal Training, Child Helpline-1098, Swadhar Gruh, Sakhi One-Stop Centre, Drug demand reduction programme, NABARD-LEDP, ASHA worker Training, etc. In the year 2019-20 BSST has much focused in and increased the work potential in the field of women and child.

I would like to appreciate all the partners and supporters of BSST for their financial, technical and handholding support, for mutual trust. The partnerships and networks that BSST is a part of are nurtured over a long time which should continue for mutual interests, ultimately benefiting the communities that we are serving. I would like to thank all the staff members of BSST who stood with us to provide all support and to show their excellence in work.

We look forward to another year as we set ourselves a new benchmark for growth and build our training and capacity building work to serve thousands of people across the state and country.

## Acknowledgement

BSST would like extends thank to all the stakeholders and individuals who have been the part of BSST's journey of development. BSST's is grateful to the funding agencies, various governmental departments, individual donors, our NGO partners for providing continuous support and efforts. We acknowledge their significant work and support during the year 2019-20 and we are excited to continue our cooperation in the coming years.

The most important part of BSST journey is community members or the beneficiaries of the projects. BSST would like to thank all the beneficiaries who all were being supported by our agencies.

BSST would like to thank all the staff members, project managers, trust members for the successful completion of the year 2019-20

## BSST's Interventions

### ADIP Scheme

Assistance to Disabled persons for purchasing/fitting of aids/appliances (ADIP) scheme is to assist the needy disabled persons in procuring durable, sophisticated and scientifically manufactured, modern, standard aids and appliances that can promote their physical, social and psychological rehabilitation, by reducing the effects of disabilities and enhance their economic potential.

After implementing the ADIP scheme for three consecutive years the organization had got exposure to the procedure that needs to be followed for implementing the program. Hence, BSST has tried to keep all the necessary government departments in the loop to reach out to a maximum number of beneficiaries and benefit them from the scheme.

BSST have assisted more than 350 disabled persons in the financial year under the ADIP schemes. The kind of assistance provided to the people and list of beneficiaries are updated on our website. For more detail [Click Here](#).

The identification of the beneficiaries is/are done by the team members of BSST by visiting the houses of the disabled or needy persons followed by a thorough check-up by professional doctors in the respective field.

## HIV Programme

It is critical to engage people to enhance understanding regarding the unmet needs of the population who are infected by HIV/AIDS. The main objective of BSST is to reduce new infections, comprehensive care, support & treatment to all people living with HIV/AIDS (PLHIV).

The effort is funded by **Gujarat state AIDS control society**, Ahmedabad and focuses on reducing stigma and discrimination attached with HIV infected people. The Project is implemented in Mehsana and Ahmedabad districts by BSST.

BSST carried out various activities which benefited 5000 people in Ahmedabad & 6800 people in Mehsana. Major activities included the World AIDS Day celebration which offered

the key opportunity to increase the awareness among people, most possible access to the treatment as well as discussing the preventive measures, Prophylactic sheath (Condom) and ART medicine distribution, providing information to canopy, HIV testing and support, CBS testing, convergence of various governmental schemes and handhold support, development of condom depots, serving by BSST's doctor, etc. Apart from World's Aids Day celebration campaigns were also held for interpersonal behaviour change communication (BCC), Promotion/ distributions of condoms, Provision of services for Sexually Transmitted Infections (STIs), Linkages to Integrated Counseling and Testing Services (ICTC), Advocacy for Enabling Environment.

This positive impact of the programme has reduced new infections, comprehensive care, support and treatment to all people living with HIV/AIDS.

## LWS Programme

Under the HIV programme, BSST runs the Link Worker Scheme- LWS for the migrants' people as migrants are at very high-risk HIV infection. BSST runs the LWS programme in **100 villages** of Mehsana District. Objectives of the LWS scheme are:

- To increase the use and availability of condoms in risky behaviour groups as well as men and women who are more likely to get HIV.
- To do liaisoning for referral and follow up with various services (such as TB Diagnosis

and Treatment, ICTC / PPTCT, ART as well as Care and Support Center).

- Creating a conducive environment for HIV infected people and their families to reduce discrimination and stigma against those living with HIV in community structures or groups (village health committees, self-help groups and panchayats).
- Reaching out to risky groups as well as HIV-positive women and men in rural areas with information, knowledge and skills to reduce the risk of HIV / STIs.

## SwadharGruh Yojana

Violence against women is a violation of the rights of women enshrined in the Constitution of India. Inequality prevails between women and men in almost all spheres of society. Violence and inequality against women are widespread as social and family structures in society are patriarchal. Violence against women causes women to become victims of violence in society due to their standard of living, development, property rights, economic development, decision making, etc. For the overall upliftment of such victimized and exploited women as well as for the woman to live with dignity and become self-reliant, aware of their rights as well as the legal shields they face and not have to wander to different places for justice and get all kinds of help in one place. The Ministry of Women and Child Development, Government of India has implemented "Swadhar Griha" scheme in eight districts of the state.

As of now, SwadharGruh Project is being implemented in the 8 different districts of Gujarat like Bhavanagar, Ahemdabad, Vadodara, Dahod, Anand, Surendranagar, Gandhinagar, and Patan.

BSST is implementing the scheme ‘SwadharGruh’ in the district of Patan. The benefit of this scheme is available to all the women who are victims of violence in the district. Victim women from other districts are also covered when the need arises. At present, the “SwadharGruh” of Patan district has started at Rajkavado Old Beheramunga School Patan, G. Patan.

### **BSST Ensure**

- Women victims of violence in private and public places can get all kinds of help in one place.
- A woman affected by violence can get help round the clock.
- Ensure that women victims of violence receive immediate and long-term services such as **medical, legal, psychological counselling, and police assistance** to resolve violence.
- We ensure that the woman who is a victim of violence gets free shelter for three years.

In the year 7 people are getting the benefit from the scheme and they are getting the necessary support from the organisation.

### **Sakhi One Stop Centre**

Gender-Based Violence (GBV) is global health, human rights and development issue that transcends geography, class, culture, age, race and religion to affect every community and country in every corner of the world. The Article 1 of UN Declaration on the Elimination of Violence 1993 defines gender-based abuse, calling it "any act of gender-based violence that results in, or is likely to result in, physical, sexual or psychological harm or suffering to women, including threats of such acts, coercion or arbitrary deprivation of liberty, whether occurring in public or in private life".

In India, gender-based violence has many manifestations; from the more universally prevalent forms of domestic and sexual violence including rape to harmful practices such as dowry, honour killings, acid attacks, witch - hunting, sexual harassment, child sexual abuse, trafficking for commercial sexual exploitation, child marriage, sex-selective abortion, sati etc.

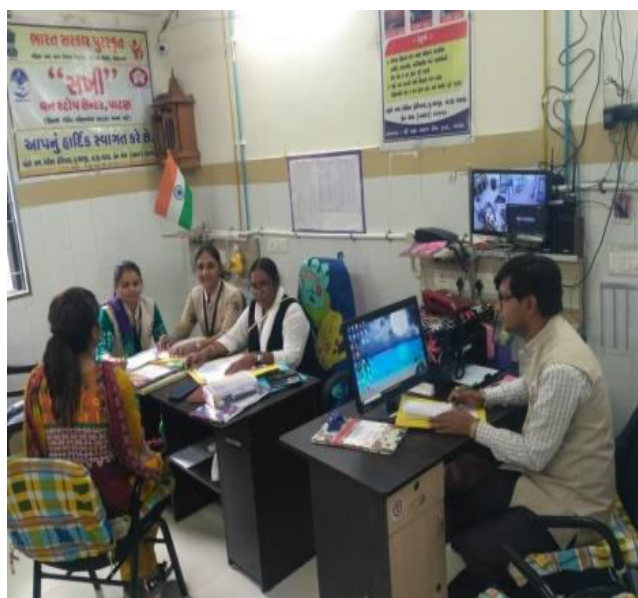

Ministry of Women and Child Development (MWCD), has formulated a Centrally

Sponsored Scheme for setting up One Stop Centre, a sub-scheme of Umbrella Scheme for National Mission for Empowerment of women including Indira Gandhi MatritravSahyaog Yojana. Popularly known as Sakhi, the scheme is being implemented since 1<sup>st</sup> April 2015. These Centres are being

established across the country to provide integrated support and assistance under one roof to women affected by violence, both in private and public spaces in a phased manner.

One-Stop Centres (OSC) are intended to support women affected by violence, in private and public spaces, within the family, community and at the workplace. Women facing physical, sexual, emotional, psychological and economic abuse, irrespective of age, class, caste, education status, marital status, race and culture will be

facilitated with support and redressal. Aggrieved women facing any kind of violence due to attempted sexual harassment, sexual assault, domestic violence, trafficking, honour-related crimes, acid attacks or witch-hunting who have reached out or been referred to the OSC will be provided with specialized services.

The objectives of the Scheme are:

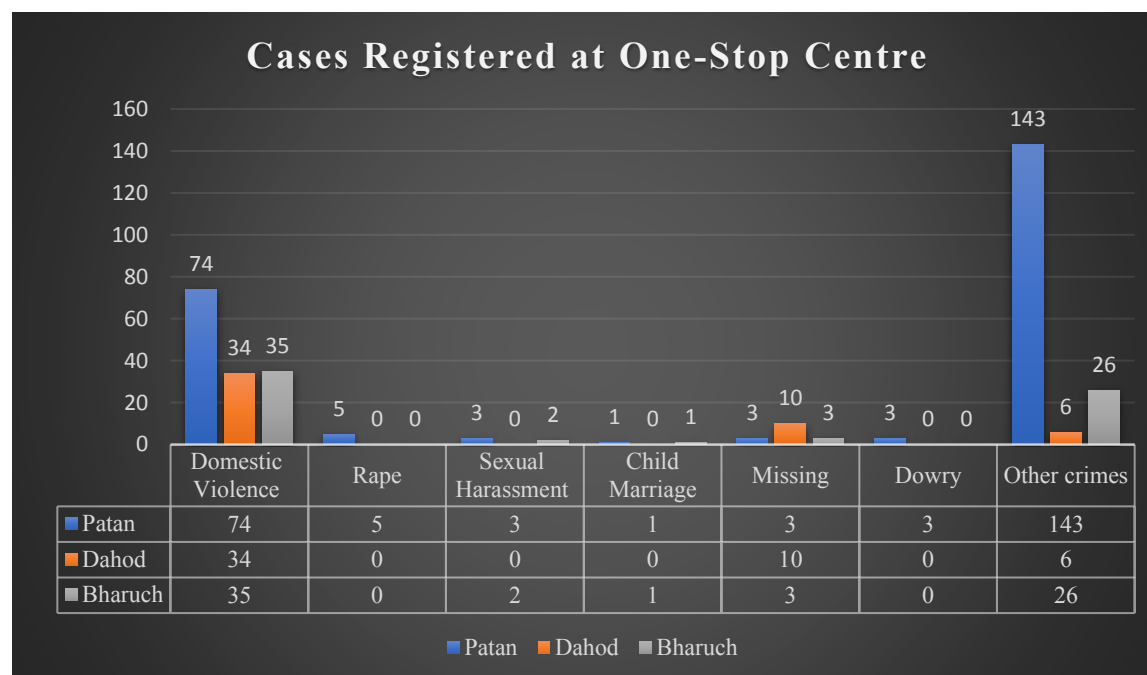

- To provide integrated support and assistance to women affected by violence, both in private and public spaces under one roof.
- To facilitate immediate, emergency and non - emergency access to a range of services including medical, legal, psychological and counselling support under one roof to fight against any forms of violence against women.

BSST provides different facilities as per the objectives of the programme to the victim of different kind of violence which focuses on the reduction in the societal crimes. We also provides the residential support to the victims.

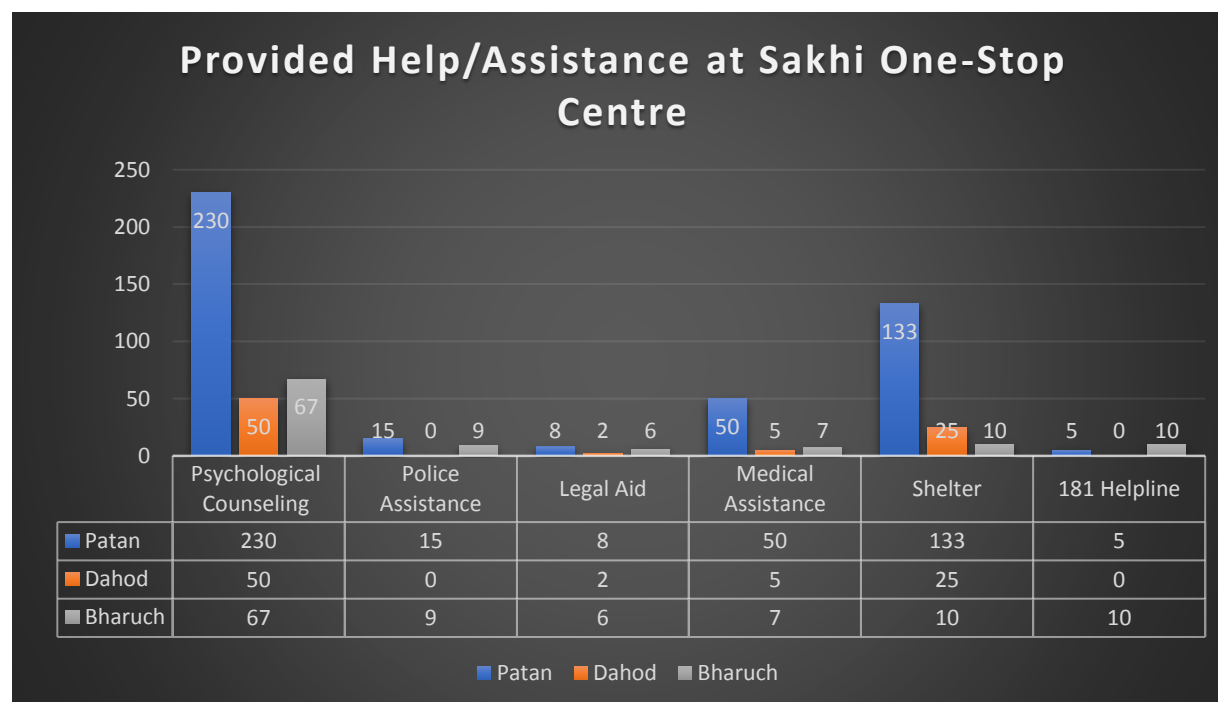

BSST run the Sakhi One-Stop centre in the three district of Gujarat- Patan, Dahod and Bharuch. Here is the glimpse of our work:

<b>District</b>	<b>Registered cases</b>	<b>Registered cases from the other state</b>	<b>Registered cases from the other Districts of Gujarat</b>

## Apparel Training Centre

The textile sector provides second-highest employment in India. It contributes to 4 percent of GDP and 18 % of employment in the industrial sector. While keeping in mind, BSST runs the Maitry Apparel Training centre in Patan district in which BSST provides the five different training with the support of Government of Gujarat and District Industrial Centre- DIC. BSST has provided training to 200 women in the year 2018-19.

We have arranged five different kinds of course setup at the Apparel Centre. The list of courses and beneficiaries are as below:

Sr No.	Course Name	Course Duration	No. of Trainee in one Batch	Yearly Batch	Total number of Beneficiaries
1	Embroidery Machine Operator	3 Months	25	4	100
2	Tailor (Basic Sewing Operator)	3 Months	25	4	100
				<b>Total</b>	<b>200</b>

## Participatory Irrigation Management

Participatory Irrigation Management works for irrigational benefits like decrease in use of ground water, helps reducing water expense, reduce time spent on irrigation thereby resulting in net profit. PIM is a reform program working for the benefit of larger group of farmers collectively through sharing of water for irrigation.

BSST provides training and technical support after which outcome of training is monitored. In this a total of 1200 farmers got benefitted. Farmers are made responsible for adequate maintenance of irrigation system and economic utilisation of water for agricultural usage. PIM is funded by Sardar Sarovar Narmada Nigam Ltd. Gandhinagar.

There is decrease in production cost of crops due to easy availability of water. The PIM project has been initiated and implemented in Patan district of Gujarat which is an arid region and normally receives much less rain compared to other districts of Gujarat.

## National Action Plan for Drug Demand Reduction (NAPDDR)

Article 47 of the Constitution provides that “The State shall regard the raising of the level of nutrition and the standard of living of its people and the improvement of public health as among its primary duties and, in particular, the State shall

endeavour to bring about prohibition of the consumption except for medicinal purposes of intoxicating drinks and of drugs which are injurious to health.”

Drug and substance abuse is a serious problem adversely affecting the social fabric of the country. Addiction to drugs not only affects the individual's health but also disrupts their families and the whole society. Of late, the menace of drug abuse in the younger generation has been rising all over the world and India is no exception to it. The Ministry has prepared a National Action Plan for Drug Demand Reduction for 2018-2023 to focus on preventive education, **awareness generation**, identification, counselling, treatment and rehabilitation of drug-dependent persons and **training and capacity building** of the service providers through collaborative efforts of the Central and State Governments and Non-Governmental Organizations.

BSST has work as a mother NGO in Gujarat to provide training on Capacity building and Awareness generation programme on Drug demand reduction.

During the year 2019-20, BSST has conducted numbers of seminars, camps, meetings at schools, colleges and community level in the 249 blocks of Gujarat state. During the year, more than 240 camps were held and spread awareness programmes, sharing words on education importance, drugs dependent persons

were identified and counselling was done. About 1.25 lac of people/students/community members got benefited from the awareness programme and counselling.

## **NABARD-LEDP**

As skill up-gradation training alone has limited impact on livelihood creation among the SHG members, it was thought prudent to create sustainable livelihoods among SHG members and to attain optimum benefit out of skill upgradation and a new scheme titled Livelihood and Enterprise Development Programme (LEDP).

The objective of the program is to create the sustainable livelihood amongst Self Help Group (SHG) members, by giving them, valuable training on major

livelihood activities and to set-up a demonstration plot there by one of the active artisans and adding value on their products too. During the project period, the program covered 90 members from multiple SHG combining both the project district.

Training, Capacity Building, Exposure visit, Market Linkage facility, Business expansion kind of activities were carried out with the SHG participants. The activities were carried out on Hand Embroidery and Patch Work have done for creating sustainable livelihoods amongst 90 SHGs members from the 18 SHGs of 4 villages of Patan Districts.

LEDP project is in progress will be continued in the year 2020-21. Due to COVID-19 pandemic project work was on hold.

## ASHA Worker Training

Accredited Social Health Activist (ASHA) is a trained female community health activist selected from the community itself and accountable to it, the ASHA workers weretrained by BSST to work as an interface between the community and the public health system.

BSST has provided the training on module 6 and 7 and to refresher from June 2019to March 2020 freshers as well as working ASHA workers during the year

2019-20. BSST has provided a training to 5000 ASHA workers in the various districts of Gujarat.

## Integrated Child Protection Scheme (ICPS)

The Integrated Child Protection Scheme (ICPS) is a centrally sponsored scheme aimed at building a protective environment for children in difficult circumstances, as well as other vulnerable children, through Government-Civil Society Partnership.

Under the scheme, BSST has provided the training to the people related to child care society. We have provided training on different subjects as child labour, child marriage, begging activities, child trafficking, child sex abuse, mental torture,

online torture etc. in 28 different batches. The training was provided in Gujarat state.

About 1900 people got trained and benefited from the schemes. Apart from the training we have provided the training on rolls and responsibilities of members of child welfare committee and juvenile justice board.

## Help Desk Centre

A Help Desk Centre is a resource intended to provide the end user with information of various governmental schemes and support related work to a governmental schemes and services. Help Desk Centre is intending to strengthen the utilization of Government schemes and services by facilitating the process of application to the various schemes and creating awareness about the existing schemes programs. It is envisaged that ensuring overage under the Government safety net programs will ensure attainment of the sustainable development goals. The project interventions are designed to be applied in settings with poor utilization of existing Government schemes by effectively addressing the bottle necks that impedes the utilization of health and nutrition services and mars the improvement in health indicators. The integrated approach entails the following:

1. Establishing Help Desk Center within the reach of the communities
2. Strengthening of public service delivery system

3. Improve utilization of the Government's health and nutrition programs
4. Awareness generation
5. Liaising & Coordination with key Government stakeholders

The main objective of Help Desk Centre is to strengthen the existing Government schemes by ensuring 100% utilization of Government safety net programs & schemes.

BSST has established 6 Help Desk Centre in Patan District in which four are in Santalpur block and two are in Patan. The functioning of Help Desk Centre will take place sooner.

## શ્રી બ્રહ્મ સમાજ સેવા ટ્રસ્ટ, મહેસાણા દ્વારા શહેર 'એ' ડિવીઝન પોલીસ સ્ટેશનમાં ઉજવાયેલ રક્ષાબંધન

(પ્ર.પ્ર.ન્યુ.સ.) મહેસાણા રક્ષા બંધન તે ભાઈ-બહેનનો પવિત્ર તહેવાર છે જેમાં બહેનડી ભાઈલાની દિર્ઘાયુષ્યની પ્રાર્થના કરીને ભાઈને સુતરનાં તાંતણે રક્ષા કવચ બાંધી આયુષ્યમાન કિર્તીમાનના આશિષ પાઠવે છે. ત્યારે તેમાં લોહીના સબંધને જોવામાં આવતો નથી. આ તહેવાર નાત-જાત કે ધર્મના ભેદભાવથી ઉપર ઉઠીને મનથી માનેલ ભાઈને રક્ષા રાખડી બાંધી બહેન પોતાનો હેત વરસાવતી હોય છે.

આ રક્ષા બંધનની ઉજવણી મહેસાણા 'એ' ડિવીઝન પોલીસ સ્ટેશન ખાતે કરવામાં આવેલ જેમાં કાયદો અને સુરક્ષાની સતત જવાબદારી નિભાવતાં પોલીસ વિભાગના જવાનોને શ્રી બ્રહ્મ સેવા સમાજ ટ્રસ્ટ, મહેસાણાની બહેનોએ રક્ષા કવચ પુરું પાડતી
