Students Feedback

1) *RAVAL CHETANBHAI NARENDRABHAI*

- They are hundred percent blind. They used to sit in Mehsana with weighing forks. And from the time the center came up, every item of the center began to be taken away for sale. So that their financial condition improved and they themselves are thankful to Brah Samaj Seva Trust.

2) *SODHA MAHIPATSINH GOVINDSINH*

- Mahipat, a fatherless child, used to support himself and his 80-year-old grandmother by selling acid and bleach on a wheelchair.

Shri Brahm Samaj Seva Trust gave him an electric bicycle. He and his grandmother are thankful to the center for the purpose of enabling him to travel more distances in less time and earn more money.

Most of the outcomes has been achieved, trainees has a lot potential to do further work. After increasing awareness and product development related work in first year, we are hoping that this year we growth at the double rate.
